1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. This Contract No. MI-250 is the Definitive Contract contemplated by the Letter Contract No. MI-250, dated 23 June 1958. The work being procured is a preliminary engineering study on a Spin Stabilized Satellite Reconnaissance System. The Contract is being issued on a straight Fixed-Price basis. The costs have been analyzed by the Air Force Auditor and the Contracting Officer and appear to be fair and reasonable.

3. This Definitive Contract No. MI-250 does not obligate additional funds. The total price of [REDACTED] was obligated under the Letter Contract (see Memorandum dated 23 June 1958, COR-0052).

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
